NOTE: AutoShip means that your Laminine order will be posted to you automatically every month until you change or cancel it. As it is recommended that you stay on Laminine for a minimum of 3 months and most of us lead busy lives, this option is recommended, as you don't want to run out.

Your autoship can easily be changed or cancelled at any time – you have control.

If you DO want to have the autoship in place, select the amount of bottles you will need for a month in the autoship section. If you DO NOT want the autoship, just scroll to the bottom and click 'Next'.
